Clean & Sober
Services

Clean and Sober Services

Clean and Sober services provide a safe and supportive environment for students in grades 9-12, seeking support for addressing issues with drug and/or alcohol use.

Referrals are made by school districts, the Probation department, health/social services agencies, or parents.

An interview by staff is required prior to admission

For an application packet call 524-2885.

Opportunity for Success

- Classroom safety
- MFT or MFTI counselors with experience in drug and alcohol recovery
- WASC accredited academic program aligned with California state standards
- Opportunity to make up for lost schooling and to prepare for higher education, vocational training, military service or the world of work
- Junior college enrichment opportunity
- Opportunity to engage in Community Service
