

## Colleges/Universities that Allow Free College Applications

### College Application Fee Waivers

### Colleges Cooperating With the SAT® Fee-Waiver Service

**Please note: many students registered with ACT or College Board may independently be invited, if they have supplied an e-mail address, to apply at no charge to private schools.**

If you've participated in the College Board's SAT Program Fee-Waiver Service, you may also be eligible to waive application fees at the colleges to which you're applying. Follow the link below to see a list of colleges that do not charge an application fee or will consider waiving the fee if you've received an SAT Program fee waiver.

A Directory of Colleges Cooperating with the SAT Program Fee-Waiver Service (.pdf/1.54MB) is offered on the fee waiver section of the [www.collegeboard.com](http://www.collegeboard.com) website. Requires Adobe Acrobat Reader (latest version recommended).
