Item/Owner	Abbreviated Minutes
Welcome	Check - ins all around
Staff	<p>Checking in with staff who might need more support and who have tragic challenges. Discussion for Leadership about how we can reach out and be consistent in this type of support. The counseling team maintains a shared folder with resources.</p> <p>Maybe some discussion about sharing how to talk to people who have lost someone (might be on SCOE's website).</p>
Focus Groups	Multiple focus group meetings have been happening on reopening of schools. FAQs on SCOE website are reviewed in these meetings.
Contact Tracing/Surveillance Testing	We are working on training for Contact Tracing/Line Tracing. Line tracing is tracing of contacts in the workplace. District training is coming up...October 20th. Surveillance Testing - 25% of staff are to be tested every 2 weeks to 2 months. SCOE has a goal for the testing to be every 2 weeks. Kaiser has become more open in testing availability. We are exploring using a company called Curative.
Program Transfers	SRCS intends to reduce our rolls by 150 students. More information to come. There will be a November meeting for employees, for the attorney to

	come and explain the process. We are also hugely down for this year's enrollment. There will be layoffs and we will need to try to take care of our folks when this happens.
