<b>Checking-In with Staff</b>	The meeting attendees checked in.
<b>Program Transfers Group</b>	Ms. Corbin provided an update regarding program transfers. Of the Transition classes scheduled for transfer, there were three, but two withdrew. They intend to re-propose next year. The one remaining will need to confirm by Nov. 15th. For SRCS, there are 6 students moving to high school and they intend to take those back. As of now, it is not anticipated to close that class. But there could be a reduction in staff, but it is not possible to know yet. A transfer for the Summit program is also expected. More information is expected at the end of October/early November.
<b>Covid Testing Event Dates Holiday Schedule Group</b>	Mr. Laughlin shared that the schedule may change some over the holiday breaks, but that we will still be offering testing and making it as available for employees as is possible.
<b>Merit Rules Aaron Burton</b>	Mr. Laughlin addressed questions from SEIU prior to the meeting and there was discussion about Merit Rule updates.
