Item/Owner	Abbreviated Minutes
Greetings	West County is exploring a drive-by graduation ceremony.
Program/Daily Transfers	Bellevue had delayed their announcement of the TA jobs, but those have now gone out. As of now, no assistants are going with the transfers.
Checking-In with Staff	The HR department and others are trying to stay in touch with staff and seeking to find if anyone needs additional support.
Mental Health Workshop	This was held last week provided by SCOE SOS (System of Support) staff and well-attended and the recording is now on the SCOE website. We've received a lot of good feedback about it. For anyone who had difficulty getting on, it can be viewed online. The website has been redesigned and it should be easier to find things, as they've been re-grouped.
Budget Projections	Some districts are struggling financially due to funding sources. We will need to be highly sensitive to the financial challenges districts may face. County offices are funded differently, but we will be cutting supplies, contracts and travel by about 15%. There will be an all staff meeting on May 5th.
Employee Survey	The results have come back and the results were favorable. In the fall, we hope to do a more thorough roll-out.

Events	CA School Employee of the Year (CSEY) a state level award. We are in discussions about how to proceed.
	Staff Appreciation, always in May, is also being discussed.
	Family Day has been postponed.
	Back to School is on the books and will be discussed.
	Team Player Award, also a May event, that is also on-hold.
	Retirees will be honored in a video clip at the June Board Meeting.
