Agenda Development and Meeting Strategies:

- Expect people to read the agenda information ahead of time and provide history and context at meetings before each item
- Provide pros and cons when presenting an issue and before voting
- When reporting recommendations, report if there are strong dissenting opinions
- Reduce the number of action items on the agenda; allow enough time and provide enough information
- When presenting revisions to or new Protocols, provide a summary of context/rationale/explanation.
- Consider small-group discussions, “Open Space” format, etc.
- Consider the switch of Co-Chair facilitator for discussion participation
- Leave enough time for member announcements
- Have Public Policy issues on the agenda only when needed
