**Agenda Development and Meeting Strategies:**

Expect people to read the agenda information ahead of time, and provide history and context at meetings before each item  
Provide pros and cons when presenting an issue, and before voting  
When reporting recommendations, report if there are strong dissenting opinions  
Reduce the number of action items on the agenda; allow enough time and provide enough information  
When presenting revisions to or new Protocols, provide a summary of context/rationale/explanation.  
Consider small-group discussions, "Open Space" format, etc.  
Consider the switch of Co-Chair facilitator for discussion participation  
Leave enough time for member announcements  
Have Public Policy issues on the agenda only when needed
