Agenda Development and Meeting Strategies:

Expect people to read the agenda information ahead of time, and provide history and context at meetings before each item
 Provide pros and cons when presenting an issue, and before voting
 When reporting recommendations, report if there are strong dissenting opinions
 Reduce the number of action items on the agenda; allow enough time and provide enough information
 When presenting revisions to or new Protocols, provide a summary of context/rationale/explanation.
 Consider small-group discussions, "Open Space" format, etc.
 Consider the switch of Co-Chair facilitator for discussion participation
 Leave enough time for member announcements
 Have Public Policy issues on the agenda only when needed
