Agenda Development and Meeting Strategies:

Expect people to read the agenda information ahead of time, and provide history and context at meetings before each item
Provide pros and cons when presenting an issue, and before voting
When reporting recommendations, report if there are strong dissenting opinions
Reduce the number of action items on the agenda; allow enough time and provide enough information
When presenting revisions to or new Protocols, provide a summary of context/rationale/explanation.
Consider small-group discussions, "Open Space" format, etc.
Consider the switch of Co-Chair facilitator for discussion participation
Leave enough time for member announcements
Have Public Policy issues on the agenda only when needed
