Regarding: Provisional Internship Permit Request for Ada Medina-Tellez

Description: Ada needs the Provisional Internship Permit so she can accept our offer of employment as a Special Education Teacher with the Moderate/Severe authorization with the Sonoma County Office of Education. She has not yet met the subject matter competence requirement needed to enter an intern program. She will enroll in an internship program with our North Coast School of Education that will start in August 2020. This PIP will allow her to be hired as a Special Education Teacher, starting April 6, 2020.

I have confirmed, by signing below, that there are no objections to the issuance of this permit.

Steve Herrington, Ph.D.  
Sonoma County Superintendent of Schools
