# MATH LAB

**Calling all students ages 10-12:**

Rediscover your mathematical brilliance and share it with others!  
We will journey together through, open and engaging activities.

*As an added feature to this year's YMCA summer camp,  
the Sonoma County Office of Education is offering a week-long Math Lab  
using curriculum from Stanford's Youcubed team.*

**This opportunity is available to any student free of charge.**

*\*If your student has already been enrolled in Y-camp,  
the YMCA will refund 2 hours for Math Lab.*

**JUNE 13 - 17, 2022**

**9:00 - 11:00 AM**

**Location:**

YMCA Summer Camp at Olivet Elementary School  
1825 Willowside Road, Santa Rosa, CA 95401
