PRIORITIES

SCOE is a public education partner to the county's 40 school districts serving K-12 students. While each district is autonomous and governed by its own board of trustees, SCOE offers districts critical leadership and support in these priority areas:

California State Standards

College and Career Readiness

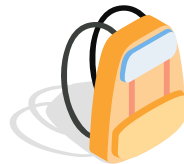

School Success for English Learners

Continuous Improvement

Financial Stability for Schools and Districts

Activities and Events that Serve Youth and the Community

PROGRAMS

SCOE provides the following annually:

Classroom instruction for approximately 390 special education students, preschool through age 22

Instructional support services for about 380 students who are deaf/hard of hearing or visually impaired

Alternative schools for approximately 142 at-risk youth

Case management for approximately 50 students who live in licensed children's institutions and attend non-public schools

Instruction to about 311 students in juvenile hall (over the course of the year)

242 professional development classes for educators serving more than 5,574 attendees

Processing of financial transactions and review of Local Control and Accountability Plans for 40 districts

Adult education classes to 187 students learning construction and computers
