

# Covid-19 Vaccine Clinics for Students & Families Saturday, May 8, 2021 & Wednesday, May 12, 2021

Partnership between Sonoma County Office of Education, Safeway, Sonoma County School Districts, and Sonoma County Department of Health Services leads COVID-19 vaccine clinic for students, families, and the community

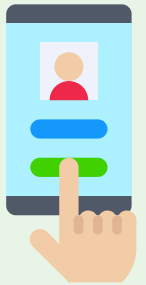

## Who is Eligible?

Any student, family, or community member age 16+.  
Walk-ins welcome.

## How to Sign Up for the Covid-19 Vaccine:

Register via the links provided below. Walk-ins will be accepted upon availability. Identification with your date of birth is preferred, but it is not required to receive a vaccine.

The clinic will administer the Pfizer vaccine. This vaccine is approved for anyone age 16+.

Students under age 18 need parental consent. If a parent is unable to attend they can provide written consent for vaccination for their child. This form can be accessed and printed when registering online.
