(f) (1) The audits shall be made by a certified public accountant or a public accountant, licensed by the California Board of Accountancy, and selected by the local educational agency, as applicable, from a directory of certified public accountants and public accountants deemed by the Controller as qualified to conduct audits of local educational agencies, which shall be published by the Controller not later than December 31 of each year.

(2) Commencing with the 2003–04 fiscal year and except as provided in subdivision (d) of Section 41320.1, it is unlawful for a public accounting firm to provide audit services to a local educational agency if the lead audit partner, or coordinating audit partner, having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for that local educational agency in each of the six previous fiscal years. The Education Audits Appeal Panel may waive this requirement if the panel finds that no otherwise eligible auditor is available to perform the audit.
