The hearing may be concluded on the proposed budget when there are no requests for further hearing on file, and shall be concluded no later than the date specified for this purpose in subdivision (e) or (i), respectively, of Section 42127. The budget shall not be finally **adopted** by the governing board of the district until after the public hearing has been held.

The proposed budget shall show expenditures, cash balances, and all revenues as required to be tabulated in Sections 42122 and 42123, and also shall include an estimate of those figures, unaudited, for the preceding fiscal year. In addition, any tax statement submitted by the governing board of the school district pursuant to subdivision (a) of Section 42127, any district tax requirement computed pursuant to subdivision (b) of Section 42127 for the school year to which the proposed budget is intended to apply, and any recommendations made by the county superintendent pursuant to subdivision (d) of Section 42127 shall be made available by the district for public inspection in a facility of the district or in some other place conveniently accessible to residents of the district.

Notification of dates and location or locations at which the proposed budget may be inspected by the public and the date, time, and location of the public hearing on the proposed budget shall be published by the county superintendent of schools in a newspaper of general circulation in the district or, if there is no newspaper of general circulation in the district, in any newspaper of general circulation in the county, at least three days prior to the availability of the proposed budget for public inspection.
