ARTICLE X
GRIEVANCES

10.1 DEFINITIONS

- 10.1.1 A “grievance” is a claim by one or more unit members and/or ASCOE that there has been a violation, misinterpretation, or misapplication of this Agreement.
- 10.1.2 A “grievant” may be any one (1) or more unit members of the County Office covered by the terms of this Agreement, or the Association.
- 10.1.3 A “day” is any duty day in which the grievant is required by contract to render service.
- 10.1.4 The “immediate supervisor” is the lowest level administrator having immediate jurisdiction over the unit member(s) involved in the grievance, who has been designated to administer grievances and has authority to reach a resolution.

10.2 PURPOSE

- 10.2.1 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise affecting the welfare or working conditions of bargaining unit members. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
- 10.2.2 Nothing contained herein will be construed as limiting the right of any bargaining unit member having a grievance problem to discuss the matter informally with any appropriate member of the administration, and to have the grievance adjusted without intervention by the Association, as long as the adjustment is reached prior to arbitration and the adjustment is not inconsistent with the terms of this Agreement and provided that the County office shall not agree to a resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response. (See Government Code Section 3543.)

10.3 TIME LIMITS

- 10.3.1 If the grievant does not act within any of the following time frames in each level, his/her right to do so is waived and the grievance is settled. The timelines may however be extended by written mutual agreement.
- 10.3.2 If the County Office fails to respond within any of the following time frames in each level, the grievant may appeal the grievance to the next level.
- 10.3.3 The grievance process must be initiated within twenty (20) days after grievant knows or reasonably could have known of the alleged occurrence or failure to take action which led to the grievance, or the grievant waives any right to grieve the occurrence or failure to act.
- 10.3.4 All time limits may be shortened upon the mutual agreement of the parties involved. Time limits shall be computed by excluding the day communications are received and including the last day.
- 10.3.5 Should a grievance be filed near the end of the school year, timelines will continue unless

the grievant has a prior commitment which reasonably precludes the grievant from processing the grievance at that time (summer). The parties shall then agree to new timelines. In establishing the new timelines the parties will consider the nature of the grievance and the effect of delay on the resolution.

10.4 GENERAL PROVISIONS

- 10.4.1 All documents or decisions required to be presented by the parties shall be served personally, or sent by email, or sent by certified mail, return receipt requested, to the last known address of record.
- 10.4.2 Grievants may be represented or accompanied at all stages of this procedure by a person of the grievant's choosing. If the grievant is not represented by ASCOE, the grievance may not be processed beyond Level II and the County Office shall notify the Association, provide a copy of the grievance and proposed resolution (which shall be consistent with the terms of the Agreement) to the Association, and provide an opportunity for the Association to respond before the resolution becomes final.
- 10.4.3 All required meetings or proceedings will be held at convenient times, with preference given to times other than those when classes are in session. If a grievance meeting or proceeding takes place while classes are in session, any unit member who is a participant shall be granted release time.
- 10.4.4 Records regarding the processing and investigation of a grievance shall be placed in a separate grievance file, not the personnel file(s), of the unit members involved.
- 10.4.5 If a grievance arises from action or inaction on the part of the County Office at a Level above Level I, the grievant shall commence the grievance at Level II.
- 10.4.6 If a grievance is of such clear and present nature as to require immediate action, the Association may appeal to the Superintendent or designee, and he/she may agree to waive Level I.
- 10.4.7 No reprisals of any kind will be taken against any grievant, or any other participant in the grievance procedure, by reason of such participation.
- 10.4.8 Upon mutual agreement of the Association and the Superintendent, a grievance may be taken directly to arbitration.

10.5 PROCEDURE

10.5.1 LEVEL I–

Within twenty (20) days of the time the grievant knew or could reasonably have known of the occurrence or omission giving rise to the grievance, the grievant must present the grievance in writing to the immediate supervisor (forms in Appendix A).

10.5.1.1 This statement shall be a clear, concise statement of the grievance, stating: the specific section(s) of this Agreement alleged to have been violated, misinterpreted or misapplied; and the circumstances involved, address for service of papers or mail; and the remedy sought.

10.5.1.2 The immediate supervisor and Director shall make a joint decision in writing within ten (10) days after receiving the grievance, and communicate the decision, together with reasons, to the grievant.

10.5.2.2 The Superintendent or his designee shall make a decision in writing within ten (10) days and communicate the decision, with reasons, to the grievant.

10.5.2.3 Within the above time limits, the grievant and the Superintendent or the Superintendent's designee shall, at the request of either party, have a personal conference.

10.5.3 LEVEL III –

If the grievant is not satisfied with the decision at Level II, or no decision is rendered within the required time periods, a request may be made, in writing, within ten (10) days to the Association to appeal the grievance to arbitration.

10.5.3.1 If the Association proceeds to arbitration, it shall notify the Superintendent in writing. Within ten (10) days of such notification, representatives of the Superintendent and the Association shall attempt to agree upon a mutually acceptable arbitrator and obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator within the specified period, the Association shall request a list from the California State Mediation and Conciliation Service.

- 10.5.3.2 The arbitrator's decision will be in writing and set forth the findings of fact, reasoning, and conclusions of the issues submitted. The arbitrator will have no power or authority to add to, subtract from, or modify the terms of this Agreement or make any decision which requires the commission of an act prohibited by law or which violates of the terms of this Agreement. The decision will be submitted to the Association and the Superintendent and will be final and binding upon the parties. The decision shall be rendered thirty (30) days after closing of the hearing. If any question arises as to the arbitrability of the grievance, such question will be ruled upon by the arbitrator as a threshold issue.
- 10.5.3.3 All costs for the services of the arbitrator, including but not limited to, per diem expenses, his/her travel and subsistence expenses and the cost of any hearing room, will be borne equally by the County Office and the Association. All other costs, except for release time for the grievant(s), Association representative(s) and witnesses, will be borne by the party incurring them.

If the administrator receiving the public complaint decides that it is not serious enough to warrant further attention, it shall not be reported to the unit member.
- 12.2.1 If the complaint is determined to be frivolous or not warrant further attention, the County Office shall not discipline or refuse to reemploy such unit member on the basis of such allegation or complaint, nor shall the complaint form the basis for a negative evaluation or be placed in the unit member's personnel file.
- 12.3 Complaints or charges of any event that happened twenty (20) or more working days prior to the date of the charge shall not be pursued. Exceptions may be made when good cause exists for delay in reporting or for further investigation.

However, if the complaint involves a charge under Section 44939 or 44949 of the Education Code, any hearing/investigation shall be held as prescribed by those applicable sections of the Education Code.
- 12.4.2 During such a meeting, the unit member shall have the right to have an Association representative present.
- 12.4.3 After the meeting, if the administrator determines that further investigation is warranted, the complaint shall be reduced to writing and signed by the complainant. A copy of the charges shall be provided to the unit member within five (5) working days of the meeting.
- 12.4.4 If the unit member has not requested a meeting with the complainant, but the administrator decides to continue to investigate the complaint, all charges will be put in writing and signed by the complainant. All charges will be given to the unit member within five (5) working days of when the unit member is verbally informed of the complaint.

- 12.5 The unit member shall have the right to respond in writing to any written statement regarding the complaint and such response shall be attached to the complaint.
- 12.6 If, after investigating the complaint, the administration determines that it is appropriate to document the incident and to have the documentation placed in the unit member's personnel file, the provision of Article VII shall be followed. In this case, reference to the complaint may be included in the member's evaluation.
- 12.7 Contents of an evaluation/public charge report which are derived from an allegedly improper procedure may be challenged/appealed through the grievance procedure of the contract. Those portions of the charge which are successfully challenged through the grievance procedure shall neither be placed in the unit member's personnel file nor utilized in any evaluation or disciplinary action against the unit member.
- 12.8 This Article shall not prohibit the investigation and reporting of criminal allegations.

ARTICLE XIII

- 14.1.2 In addition to the specific types of leave set forth in this Article, the County Office may grant any other paid leave, unpaid leave, or unpaid leave with benefits which it deems appropriate.
- 14.1.3 Upon being granted leave of absence, the unit member shall receive written notification stating the dates of the period of leave and procedural guidelines for return from leave and/or extension of leave.
- 14.1.4 Denial of a leave shall be accompanied with a written rationale within ten (10) working days of the receipt of the request and such rationale shall not in any way be punitive.
- 14.1.5 In the absence of an approved leave, all unit members are required to report to their assignments on a timely basis. Failure to return to work upon the expiration of an approved leave constitutes a serious violation of County Office rules and may be grounds for disciplinary action.
- 14.1.6 Unless provided otherwise by specific agreement between the parties, a year during which an unpaid leave is taken may not count toward tenure or for experience (depending on the number of days taught - see Education Code Section 44908).

14.2 PAID LEAVES

14.2.1 Personal Necessity

- 14.2.1.1 A unit member may use up to ten (10) days per year of accrued sick leave for absences necessitated by personal necessity. Unit members need not give an explanation for use of five (5) of these personal necessity days, the other five (5) days do require explanation.
- 14.2.1.2 Personal Necessity is defined as any situation which requires the unit member to be absent from work during regular work hours and which cannot be accomplished during the unit member's non-work hours. For example, personal necessity shall not be used for recreation, other employment, work stoppage, or strike. Personal necessity may be used for adoption or paternity leave or for religious observances.
- 14.2.1.3 If possible, unit member shall provide 24 hours notice of need for such leave.

14.2.1.4 No notice nor advance approval for the use of personal necessity leave shall be required for leave taken for any of the following reasons:

14.2.1.4.2 Accident involving his/her person or property or property of a member of his/her immediate family or friend.

14.2.2 Sick Leave

14.2.2.1 At the beginning of each school year, each full-time unit member shall be credited with ten (10) days of paid sick leave allowance to be used for absences caused by illness or physical disability which occur during the regular or extended/summer school year.

Unit members who do not work the entire school year or work part-time shall be credited with a pro rata share of sick leave days based upon one (1) day per month for full-time unit members.

14.2.2.2 The unit member shall inform the Human Resources Department and his/her supervisor of the impending absence as soon as it is practicable.

14.2.2.3 Information regarding accumulated sick leave shall be indicated on unit member's check stub.

14.2.3 Establishment of Catastrophic Leave Program

14.2.3.1 The catastrophic leave program permits unit members to donate sick leave days to another unit member when that unit member or a member of his/her immediate family suffers from a verifiable catastrophic illness or injury if prescribed conditions are met.

14.2.3.2 Every unit member with sufficient accumulated leave shall have the opportunity to participate in the annual open enrollment for the Catastrophic Leave Program. Annual Open Enrollment shall take place yearly from August 1 to October 31.

14.2.3.3 Newly hired unit members with sufficient accumulated leave shall have the opportunity to enroll within two (2) weeks of their hire date. Newly hired unit members who do not have sufficient accrued sick leave may reduce their accumulated sick leave to not less than nine (9) days during their first two (2) years of employment so that they can join the program. SCOE will include notification of the open enrollment period in the "new hire packet."

14.2.3.4 New Program Members shall initially deposit two (2) leave days, and will be considered to be active and continuing participants in the program. Thereafter, a contribution of one (1) day shall be required of Members whenever, at the end of the school year, the bank contains less than sixty (60) leave days. A unit member who has less than twenty (20) days of sick leaves shall be exempt from the required donation.

14.2.3.5 Definitions

14.2.3.5.1 Catastrophic illness or injury means an illness or injury that is expected to incapacitate the unit member for an extended period of time or that incapacitates an immediate member of the unit member's family.

14.2.3.5.2 The catastrophic illness or injury requires the unit member to take time off from work for an extended period of time. Taking extended time off from work will create a financial hardship for the unit member because he/she has exhausted all of his/her fully-paid accrued sick leave and other paid time off, with the exception of extended (differential) sick leave. Accordingly, leave shall be used in the following order: (a) accrued fully-paid sick leave, (b) catastrophic leave, and (c) extended/differential sick leave.

14.2.3.5.3 Catastrophic leave may also be used for extended bereavement time on account of the death of a spouse, child or parent.

14.2.3.6 Procedure

14.2.3.6.1 The unit member who is or whose immediate family member is suffering from a catastrophic illness or injury requests that sick leave be transferred from the leave bank and provides a physician's verification of catastrophic injury or illness and files a Catastrophic Leave Form (available on the SCOE website).

14.2.3.6.2 The Superintendent or designee shall review the application and confirm that the employee is unable to work due to verifiable catastrophic illness or injury or his/her family member's catastrophic illness or injury and that the employee has exhausted all accumulated sick leave.

14.2.3.6.2.1 The Superintendent or designee shall inform unit member and the Association of days dispensed from the leave bank made in response to the member's approved request.

14.2.3.6.2.2 The maximum number of donated catastrophic leave days that may be used by any unit member will not be more than 60 (sixty) days per academic year.

14.2.3.6.2.3 Any catastrophic leave days that were approved but were not used shall be returned to the leave bank that will be monitored by the Human Resources and Services Department and an Association designee.

14.2.3.6.2.4 In order to ensure the viability of the program, if

at any time, the total number of days in the bank drops below 60 (sixty) days, SCOE will notify ASCOE. A request for donations will go out to unit members from ASCOE to rebuild the bank to a minimum level of sixty (60) days.

14.2.3.6.2.5 In the event of catastrophic leave is needed for a unit member who does not qualify because he/she does not have sufficient days to donate to the program, but who otherwise meet the criteria, a special call by ASCOE for contributions may go out to members to help fulfill the specific need.

14.2.4 Extended Sick Leave

14.2.4.1 Pursuant to Education Code Section 44977, when a unit member has exhausted all accumulated sick leave, and continues to be absent from duties on account of illness or accident for a period of five (5) school months or less, whether or not the absence arises out of or in the course of employment, the unit member shall be entitled to his/her salary minus an amount not to exceed the sum paid to a substitute. The sick leave, including accumulated sick leave, and the five (5) month period shall run consecutively.

14.2.5 Disability During Maternity Leave

14.2.5.1 When such a maternity leave has been granted and, immediately or subsequently, the unit member becomes disabled because of the pregnancy, the unit member shall be transferred to disability or sick leave status for the duration of the disability.

14.2.5.2 The disability must be verified by a written statement from the attending physician and the County Office may require that this statement be updated from time to time during the period of disability.

14.2.5.3 If the unit member wishes to extend her leave, she may do so under the appropriate subsection of this Article.

14.2.6 Bereavement Leave

14.2.6.1 Unit members are entitled to a paid leave of absence not to exceed three (3) days, or five (5) days if out-of-state travel is required on account of the death of any member of his/her immediate family. A unit member may receive time up to one (1) day with full pay to attend the funeral of a close, personal friend.

14.2.7 Sabbatical Leave

14.2.7.1 The County Office may grant a unit member a sabbatical leave pursuant to the provisions of Education Code Sections 44966, 44967, and 44968. In order to be eligible for such leave, the unit member must have served in the County Office at least seven (7) consecutive years. The granting of such leave is

- 14.3.2.3 Pursuant to the California Family Rights Act, an employee may apply for a leave for the purposes of baby bonding. Employees shall consult with the Human Resources Department to determine eligibility.
