CALPADS FLASH#242

Currently families must submit National School Lunch Program (NSLP) applications or Alternative Income Forms by October 31, 2022 in order for students enrolled on Census Day to be included in the Unduplicated Pupil Count (UPC) used to determine supplemental and concentration grant funding under the Local Control Funding Formula (LCFF). **The application/form deadline has been extended to November 30, 2022.**

For students who submit their NSLP application or Alternative Income form after October 31, 2022, but by November 30, 2022, **LEAs must upload to CALPADS a free or reduced-price meal program record (Education Program code 181 or 182) with a start date of October 31, 2022 in order for these students to be included in certification report 1.17 – LCFF Unduplicated Pupil – Count.**

2022-2023 Fall 2

LEAs can begin submitting data for Fall 2 at any time, and certification reports will begin running January 2, 2023. While the Fall 2 certification reports are not immediately available, LEAs should upload Fall 2 data well before January and review **Operational Data Store (ODS) Report 4.3 – Staff Teaching Assignments – Detail, which is available.** Providing appropriate staff the time to review the staff assignment data in Report 4.3 will help ensure the accuracy of the data provided to the Commission on Teacher Credentialing (CTC) for assignment monitoring purposes.

LEAs must certify the Fall 2 submission by the February 24, 2023 deadline in order for the CDE to meet state and federal reporting requirements, and to provide the CTC with the data necessary to conduct assignment monitoring. Please note that LEAs who fail to certify by the deadline will receive no 2022–23 teacher assignment monitoring results.
