

CALPADS

November 2019

2019-20 School Year

- Information Day/Census Day October 2, 2019
- Fall 1 Certification deadline is December 20, 2019
 - Amendment deadline is January 24, 2020
 - **CDE's recommendation to have first approval by December 6th**
- The decision to determine students as homeless due to the Kincadee fire will be a district level decision based upon whether the individual housing situation falls within the definition of homelessness included in McKinney Vento legislation. (details have been emailed)
- If students are determined homeless prior to October 31st
 - Students qualify for free lunch for the entire school year
 - Students are counted on the 1.17 report
 - Homeless and Free/Reduced data are used in indicators on the CA Dashboard
- Special Ed data being reported in CALPADS
- CalSAAS – Assignment Monitoring (see below trainings being offered)
- Perkins Data System (PDS) has been retired
- CTE/Perkins being reported in CALPADS Fall 2
 - The Perkins V performance indicators are largely based on students in the 4-year Adjusted Cohort Graduation Rate (ACGR). The data collected on the Postsecondary Status (PSTS) file will be used to calculate the 3S1 – Post-Program Placement indicator.
 - LEAs should survey CTE pathway completers, as currently defined, who were in the 2018–19 4-year ACGR, exiting secondary education in 2018–19. This should include any student who was a CTE pathway completer at any time during high school, and left 12th grade in 2018–19
 - LEAs should survey students in the second quarter following the end of the 2018–19 school year, which will be some time during December 2019 – January 2020.
