## **CALPADS Course Codes, Assignment Monitoring and LCAP Federal Addendum Equity Data Training**

Beginning in March 2019, California Department of Education (CDE) and Commission on Teacher Credentialing (CTC) staff will be conducting training sessions at county offices of education (COEs) throughout California. The training sessions will cover:

- The new State Assignment Accountability System (CalSAAS)
- Changes in the California Longitudinal Pupil Achievement Data System (CALPADS)
- Changes to the state course codes and descriptions

The CalSAAS will use data from the CTC and the CDE to identify potential misassignments and provide a communication platform for counties and school districts to address and resolve them. In addition, CDE staff will be providing information about the *Promoting Equitable Access to Teachers* (PEAT) Program and Title I equity reporting requirements on the Local Control and Accountability Plan (LCAP) Federal Addendum.

Training will be offered at SCOE [Assignment Monitoring Training](#)

- **Date: Monday, June 3, 2019**
- **Time: 9:00 – 3:00**
- **Location: TLC**

### Suspension Reporting Changes

- **LEAs must report all incidents resulting from Education Code section 48900 or 48915 regardless if it results in a disciplinary action of suspension or expulsion**

- LEAs are required to report suspension and expulsion data for students attending Nonpublic, Nonsectarian Schools (NPS)

## CALPADS Information Meeting (CIM)

### Major 2019-20 Changes

- CRSE/Course Code Changes for Assignment Monitoring
- CASEMIS to CALPADS Transition (C2C)
- Discipline File Restructure
- Assignment Monitoring

### Collection of Non-Binary Gender

- In Academic Year 2019-2020, CALPADS will begin accepting a new gender code "X"=Non-binary in addition to "M" =Male and "F" = Female
- Based upon SB 179 (Atkins), Gender Recognition Act enables Californian's to identify their gender as Male, Female, or Non-binary on legal identification documents including birth certificates, driver's licenses and state-issued identification cards
- CDE is analyzing issues and questions raised by the collection of this new code in CALPADS and may be issuing guidance in the future; however, of course, local districts can and should consult their own legal counsel with any questions
