

SMAA (School-Based Medi-Cal Administrative Activities)
Program Update

District Business Users Group (DBUG)
January 27, 2022

Updates:

20/21 Q1 Invoices:

Currently being sent out for signatures

20/21 Q2 Invoices:

Sending out for signatures in February

There is a significant drop in reimbursement rate for 20/21 Quarter 2 for most districts. This is due to a variety of factors:

- COVID
 - students were not at the school sites
 - Increase of Federal Funding dollars available to use at districts
- 20/21 Q2 is the first quarter that the RMTS methodology was integrated into the LEA BOP reimbursement methodology

19/20 Q4 Reimbursement:

Currently being processed by DHCS

19/20 Q3 Reimbursement:

We just received payment!

LEAs will receive your reimbursements the first two weeks of February
