I. BACKGROUND AND OVERVIEW

The Sonoma County Office of Education (“County Office”) is prequalifying General Contractors and mechanical, electrical, plumbing, fire protection, underground pipeline and painting specialty contractors (A, B, C-4, C-7, C-10, C-16, C-20, C-33, C-34, C-36, C-38, C-42, C-43, and C-46) bidding as prime contractors (“Contractors”) for future Facilities Projects (“Projects”). Pursuant to Education Code section 20111.5, all Contractors who intend to submit a bid on future projects must provide all information and materials requested in this Prequalification Application and be prequalified by the County Office prior to submitting a bid.

REMINDER: All contractors and subcontractors MUST be registered with DIR to bid public works projects.

II. PROJECT DESCRIPTION

The County Office will notify Contractors of projects as they are developed and ready for bid. Bids will only be accepted from those Contractors or Specialty Contractors that have prequalified with the County Office. The future projects may include the following:

- Multiple classroom additions to an existing school site including reconfiguration of hardscape
- Modernization of four classrooms and core facilities at a school site
- Modernization of County Office administrative buildings
- Boiler Replacement Project
- Administrative Facility Generator installation/replacement
- Exterior/Interior Repainting at multiple sites throughout Sonoma County

III. PREQUALIFICATION PROCESS

The following process will govern the conduct of Contractors’ Prequalification for the Project. A Contractor who submits prequalification responses thereby consents to and will comply with the procedures outlined below and as set forth in greater detail in this document.

- A. Submittal. Applicants are encouraged to submit prequalification packages as soon as possible, so that they may be notified of prequalification status well in advance of future proposals. Prequalification responses shall be received by the County Office on or before 4:00 pm on the closing dates of the prequalification periods, between January 1st through

January 31st and July 1st through July 31st. All prospective licensed Contractors who wish to prequalify for Projects shall submit two (2) copies of a completed prequalification questionnaire, financial statements and supporting documents to the County Office on or before the bid dates. Completed prequalification questionnaires and financial statements should be marked CONFIDENTIAL "Pre-Qualification Package" and mailed or delivered to:

**Sonoma County Office of Education
Facilities, Operations & Maintenance Department
Attn: Mark Silva, Director of Facilities, Operations and Maintenance
5340 Skyline Blvd., Santa Rosa, California 95403**

Prequalification materials will only be accepted in accordance with the requirements of the law. The County Office reserves the right to request, receive, and evaluate supplemental information after the above time and date at its sole discretion.

- B. Form. Applicants shall complete the prequalification process and timely submit all documents as indicated in the Questionnaire. No other prequalification documents previously completed by the applicant will meet these requirements. All information requested in the Questionnaire must be provided in order to be considered "responsive" to the requirements of prequalification. If a question is not applicable, then indicate a response of "N/A." "You" or "Yours" as used herein refers to the prospective bidders' firm and any of its owners, officers, principals and qualifying individuals. If two or more business entities request prequalification on this project as a joint venture, or expect to prequalify as part of a joint venture, each entity within the joint venture must separately qualify to be selected.

The Questionnaire shall be submitted as one package – it shall not be submitted "piecemeal." Applicants shall submit two (2) completed Questionnaires with required attachments in "hard copy" format (i.e., 8-1/2"x11" paper) in a sealed envelope. Any questions regarding this package should be directed to Mark Silva at msilva@scoe.org. Submission of an incomplete and/or unclear Questionnaire may result in a determination that the applicant is non-responsive and/or not qualified.

- C. Financial Statement. In addition to completing the Questionnaire, each applicant must submit its most current reviewed or audited year-end financial statement, which must have been prepared by a certified public accountant within twelve (12) months of each applicant's submission of the prequalification package. Each applicant must also provide its most current financial statement, which must have been prepared within three (3) months of each applicant's submission of the prequalification package. Applicants are exempt from providing the financial statements if they qualify as a small business pursuant to Government Code 14837 and the proposal is not more than 25% of the qualifying amount provided in Government Code 14837. Finally, each applicant must submit a notarized statement from an admitted surety insurer (approved by the California Department of Insurance and authorized to issue bonds in the State of California) which states the applicant's current bonding capacity.

Financial statements submitted with this prequalification package shall not be prepared by any individual who is in the regular employ of the firm submitting the statement, nor by any individual or entity who has more than a ten percent (10%) financial interest in the firm's business. If the individual or entity that prepared a financial statement submitted with this prequalification package has any financial interest in the firm's business, the firm

shall notify the County Office of such financial interest in a separate signed statement accompanying this prequalification package.

- D. County Office's Review. Applicants that have submitted a Questionnaire shall receive written notification of their prequalification status. The applicant will receive a rating of "Prequalified" or "Not Prequalified." All information provided will be kept confidential to the extent permitted by law, although the contents may be disclosed to third parties for the purposes of verification, investigation of substantial allegations, and in the process of an appeal hearing. State law requires that the names of contractors applying for prequalification status shall be public records subject to disclosure, and the first page of the questionnaire will be used for that purpose. The County Office reserves the right to reject any Questionnaire or to waive irregularities in any Questionnaire received, to make all final determinations, and to determine at any time that the prequalification procedures will not be applied to a future public works project.
- E. Non-responsiveness. A Questionnaire may be deemed non-responsive if:
1. The Questionnaire is not submitted on time.
 2. Applicant does not provide all requested information.
 3. The Questionnaire is not signed under penalty of perjury by individuals who have the authority to bind the applicant on whose behalf they are signing.
 4. Information contained in the Questionnaire is not updated under penalty of perjury when it is no longer accurate.
 5. Any information provided by the applicant is misleading or inaccurate in any material manner (e.g., financial resources are overstated; previous violations of law are not accurately reported). Even after an applicant has been determined to be qualified, the County Office reserves the right to revoke that determination at any subsequent time, to terminate any contract awarded, and to cease making payments if it determines that any information provided by the applicant was incomplete, misleading, inaccurate or false in any manner.

IV. QUALIFICATION CRITERIA

- A. Essential Criteria. As detailed herein, each potential applicant must provide specific information that will be reviewed and scaled by the County Office. Certain qualifications are essential. Any potential applicant who cannot satisfy all Part 1 "Essential Criteria," regardless of the ranking or ability to meet other criteria, will not be prequalified.

The Questionnaire also contains questions for which a numerical score will be given for specific answer(s). An applicant must receive a minimum score of 115 points (out of a maximum score of 140 points), regardless of its ability to meet other criteria, or the applicant will not prequalify for County Office work.

V. APPEAL PROCEDURE

Pursuant to Public Contract Code § 20101(d) an applicant who has timely submitted a completed application form, may appeal the County Office's prequalification decision by giving notice to the

County Office no later than five (5) business days after receipt of notice of its qualification status. Notice shall be sent to the County Office point of contact and address listed above. The appeal shall contain all evidence supporting the applicant's challenge to the County Office's decision. The County Office will consider the applicant's evidence and will make a final determination.

Unless an applicant files a timely appeal, the applicant waives any and all rights to challenge the qualification decision of the County Office, whether by administrative process, judicial process or any other legal process or proceeding. The County Office reserves the right to resolve appeals before or after the opening of proposals or award of any contract. The date for submission and opening of proposals for a specific project and any subsequent contract award will not be delayed or postponed to allow for completion of an appeal process.
