- Provide written reports analyzing, interpreting and summarizing, observations and information from school personnel, students and parents;
- Act as liaison between public and private agencies and county programs;
- Develop, coordinate and provide in-service training to staff, parents, agency and district personnel;
- Maintain professional competencies in areas of responsibility;
- Maintain contact with and participate in professional job related organizations and serve as a liaison to professional groups;
- Perform related duties as assigned.

Employment Standards:

Knowledge of:
- Federal and state laws, codes, regulations and requirements pertaining to areas of assigned responsibility for special education;
- Principles, practices, methods and strategies applicable to special education curriculum development and strategies for implementation;
- Mental Health Services and educational techniques, tests, materials, methods, theories and trends in assessment and identifying a typical student learning and behavior characteristic.

Ability to:
- Counsel students and parents in individual and group situations;
- Select and apply appropriate social/emotional learning curriculum and programming;
- Write coherent and comprehensive mental health service reports;
- Communicate effectively both orally and in writing;
- Establish effective working relationships with staff, district personnel, other agencies and the public;
- Be flexible and receptive to change;
- Adapt to periodic heavy workload;
- Maintain regular and reliable attendance;
• Identify and implement age and need appropriate mental health services including classroom lessons, small group interventions, individual counseling and behavior coaching;
• Develop student goals and objectives;
• Participate in IEP meetings, as required;
• Provide written reports analyzing, interpreting and summarizing, observations and information from school personnel, students and parents;
• Act as liaison between public and private agencies and county programs;
• Develop, coordinate and provide in-service training to staff, parents, agency and district personnel;
• Maintain professional competencies in areas of responsibility;
• Maintain contact with and participate in professional job related organizations and serve as a liaison to professional groups;
• Perform related duties as assigned.

Education and Experience:
Any combination of education and experience that would likely provide the knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Education:
• A Bachelor of Arts Degree from an accredited college or university with an emphasis in social work, educational psychology or closely related field;
• One (1) year of fieldwork in an accredited Social Work Program.

Experience:
• At least (1) year experience as a trainee in a school district is desirable;
• A background or experience/interest working with emotionally disturbed and/or severely handicapped students.

Credentials:
• Eligible to apply for an intern credential by meeting the education/experience requirements above.

Work Environment:
The following conditions may be present:
• Walking on uneven ground when outdoors;
• Exposure to student illness, injuries, infections and bodily fluids;
• May be exposed to chemicals contained in cleaning products;
• May be required to maneuver into awkward positions.

Other Requirements:
• Must be fingerprinted and a satisfactory Department of Justice records check must be received by SCOE, prior to employment.
• TB testing will be required upon employment.
• Must pass a pre-employment physical (if applicable).
• May be required to obtain first aid and CPR certificates within the first 6-12 months of employment.
• May be required to drive with or without students; some positions may require a current California drivers license, proof of insurance, and possible participation in the DMV Pull Notice Program once employed.
