ADDENDUM 1

SONOMA COUNTY SELPA PORTABLE CLASSROOM PROJECT BID

CURRENT LOCATION OF PORTABLE CLASSROOM BUILDING TO BE  
INSTALLED ON THE LABATH CAMPUS

This addendum (“Addendum 1”) is to provide details on the current location of the portable classroom building.

The Sonoma County SELPA, in conjunction with the Sonoma County Office of Education, has secured a portable classroom that is currently located on Napa Valley Unified School District's Harvest Magnet Middle School Campus.

The address of Harvest Magnet Middle School is 2449 Old Sonoma Road, Napa, CA 94558 (approximately 32.2 miles from the portable classroom's new location on Sonoma County SELPA's Labath Campus).

The winning bidder will be responsible for coordinating the physical removal of the portable classroom from the Harvest Campus with Napa Valley Unified School District's Facilities and Construction Management Team. The Harvest campus is currently unoccupied by students and staff. Scheduling the pick-up as soon as practical in the month of May will be very flexible.

Please direct any question related to the pick-up of the portable classroom to my office.

Jorge Torres, Director, Operations  
Sonoma County Office of Education
