*"Being in Friday Night Live is important to me because I never felt so involved and connected with a program. I was able to build upon my skills in which I never expected to have, such as public speaking and leading a group. This program helped me grow as a leader and person in order to better our community."*

### FNL Reduces ATOD Risk

100% of youth learned about problems that alcohol, tobacco and other drugs can cause

100% of youth report that involvement in FNL helps to decide to do things instead of ATOD

100% of youth report that they support other youth to make healthy choices

FNL recognizes all youth have strengths, values youth as partners, and actively engages youth in the decision-making, planning and implementation of activities that enhance our communities.
