The Four Goals of Anti-bias Education

Goal One: Each child will demonstrate self-awareness, confidence, family pride, and positive social (group) identities.

Goal Two: Each child will express comfort and joy with human diversity, accurate language for human differences, and deep, caring human connections.

Goal Three: Each child will increasingly recognize unfairness, have language to describe unfairness, and understand that unfairness hurts.

Goal Four: Each child will demonstrate empowerment, and the skills to act, with others or alone, against prejudice and/or discriminatory actions.
