## Early Learning Apps

**Books/Stories**

**Songs/Music**

**Animals**

**Fine-Motor/Art**

**Letters/Sounds**

**Numbers/Counting**

**Colors/Shapes**

**Combination Apps (apps that include at least two of the following areas: letters, numbers, colors, shapes)**

**Miscellaneous Apps (memory, matching, sorting, patterns, word play, etc.)**

	App Title	App Description	Price
	<b>KinderTown</b>	KinderTown provides a constantly updated list of educational apps designed for kids ages 3-6 years old. All apps listed have all been tested and reviewed to ensure quality and significant educational content. Browse for apps by age of child, price of app, and type of app (math, language, art, science, social studies, etc.).	Free
	<b>Pat the Bunny</b>	Options to “Read” or “Paint.” Interactive elements on every reading page: tap to pop bubbles and to water flowers; slide finger to make ducks swim. Recordable narration. For “paint” option, child rubs finger over black and white drawings from the book to make colors magically appear.  Recommended ages: 1-6+	\$3.99
	<b>Rainy Days: A Stella and Sam Adventure</b>	This story app has no written text. The story is told aloud and every page of the story features full screen animations. Includes three simple games (make paintings with paw prints; search through leaves looking for treasures; race pinecones across a lake) that move the story forward and facilitate comprehension of the story.  Recommended ages: 1-6+	\$2.99

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Bizzy Bear on the Farm</b></p>	<p>Two reading modes: Read and Play or Read by Myself (no narration). All pages have full-screen animations. Characters give hints about what to do on every page. Children tap and drag items on the screen to perform farm chores (feed the pigs, drive the tractor over the hills, put the sheep in the pen, etc.).</p> <p>Designed for children ages 2 to 4 to read together with an adult.</p>	<p>3.99</p>
	<p><b>Five Little Monkeys Jumping on the Bed</b> <b>(Oceanhouse Media)</b></p>	<p>Three ways to interact with book: “Read to Me”- listen to the narrated story with words highlighted as they are read; “Read it Myself”- read the book in its traditional form; “Auto Play” -plays like a movie, automatically reading and turning pages. Additionally, words zoom up and are spoken when pictures are touched and words are spoken when touched.</p> <p>Oceanhouse Media has many other book apps available, including: 24 Dr. Seuss books, 3 Tacky the Penguin books, Berenstain Bears, 10 Little Critter Books, and 3 additional Five Little Monkeys books.</p> <p>Recommended ages: 2-8+</p>	<p>\$2.99</p>
	<p><b>The Three Pandas</b> <b>(See Here Studios)</b></p>	<p>Three ways to interact with book: “Read to Me”; “Read it Myself”; and, “AutoPlay.” Option to record your own voice. Over 60 touch animations.</p> <p>Recommended ages: 3-8</p>	<p>\$2.99</p>
	<p><b>Miss Spider's Tea Party</b></p>	<p>Options include: “Read to Me”; “Watch” (movie); and, “Play” (matching game, coloring, and puzzles). Touch images for animation.</p> <p>Additional Miss Spider books include: “Miss Spider's Bedtime Story” and “<b>Miss Spider #1 (Espanol): Tea Party for iPad.</b>”</p> <p>Recommended ages: 3-8+</p>	<p>\$4.99</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Ten Giggly Gorillas</b></p>	<p>“Read to Me” (narrated) option available. The story is told in a series of short rhymes, one per page. Each rhyme describes one of the gorillas illustrated on the page. The student touches the specified gorilla to trigger an animation. Touch-activated dialogue throughout the book.</p> <p>Includes a “Monkey Memory” game.</p>	<p>\$3.99</p>
	<p><b>The Three Little Pigs (Nosy Crow)</b></p>	<p>Options include: “Read and Play” (story is read aloud, but user needs to touch images to activate animations and press arrows to go to next page); “Read to Me” (autoplay mode); and “Read by Myself.”</p> <p>Also available from Nosy Crow: “Cinderella- Nosy Crow animated picture book” for \$7.99.</p> <p>Recommended ages: 3-8+</p>	<p>\$5.99</p>
	<p><b>5 Little Ducks (Perplext)</b></p>	<p>5 Little Ducks is one in a large series of “Sing ‘n Read” apps by Perplext. Each page in the song/story includes a colorful illustration and text. Each word is highlighted as it is sung. Optional feature: choose black-and-white illustration for each page and rub finger across illustration to watch color magically appear.</p> <p>Other Sing ‘n Read apps by Perplext include: Down by the Bay; Eency Weency Spider; This Little Light of Mine; Down on Grandpa’s Farm; 5 Little Monkeys; and, Wheels on the Bus.</p>	<p>\$1.99</p>
	<p><b>Wheels on the Bus HD (Duck Duck Moose)</b></p>	<p>Listen to song in English, <b>Spanish</b>, French, German, or Italian. Hear music played on a violin, cello, piano, or kazoo. Record your own voice. Tap and slide on images for fun surprises.</p> <p>Duck Duck Moose has other song apps available, including: Old McDonald, Itsy Bitsy Spider, and BaaBaa Black Sheep.</p>	<p>\$1.99</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Bunny Fun: Head, Shoulders, Knees, and Toes</b></p>	<p>Song lyrics available in four languages: English, French, Japanese, and <b>Spanish</b>. Voice recording capabilities. Animated bunny acts out song by pointing to head, shoulders, knees, and toes. Tap on bunny's head, shoulders, knees, and toes to see written word and hear spoken word corresponding to body part tapped.</p>	<p>\$0.99</p>
	<p><b>Old MacDonald - HD</b>  <b>(LoeschWare)</b></p>	<p>On main screen, spin a wheel to choose one of 21 animals, some of which belong on a farm and some of which do not. When a farm animal is selected, the app displays a farm scene, sings a verse about the selected animal, and provides an image of the animal to drag and place in specified location within the scene. When a non-farm animal is chosen, the app displays the farm scene, says something silly about that animal not belonging on a farm, and provides silly animation removing animal from farm scene.</p> <p>Also available from LoeschWare: "Five Little Monkeys HD" for 1.99</p>	<p>\$1.99</p>
	<p><b>Boogie Bopper- the toddler music game</b></p>	<p>In free-play mode, tap colorful, on-screen circles to play notes and compose your own songs. In structured mode, choose a familiar song from a list, then tap specified circles to play the song.</p>	<p>\$1.99</p>
	<p><b>Musical Me! HD by Duck Duck Moose</b></p>	<p>Includes 5 musical activities, each accompanied by either a vocal or an instrumental version of a popular children's song, such as Mary Had a Little Lamb, Skip to my Lou, Row Your Boat, Old McDonald, etc. Activities include: Dance (tap, drag, or hold monsters to make them dance to the beat); Rhythm (tap flying birds to play a song); Instruments (play along with a drum, cymbals, triangle, maracas, egg shaker, or duck); Memory (listen to the notes and copy the pattern); and, Notes (create your own music by moving notes on a scale).</p>	<p>\$1.99</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Zoola</b></p>	<p>Over 400 photos of animals. Categories of animals include: farm animals, water animals, safari animals forest animals, and dogs. Tap on small image to see corresponding large photo and hear corresponding animal sound. Tap on speaker to hear name of animal. Matching/memory game with option for 6, 12, or 24 cards.</p>  <p><b>Zoola Baby Animals</b> includes photos and sounds of 30 baby animals. Tap the baby animal to hear what sound it makes. Tap the adult animal to hear what sound it makes. Tap the arrow buttons to navigate between animals.</p>	<p>\$2.99</p> <p>Free, "lite" version available.</p> <p>\$0.99</p>
	<p><b>Peekaboo Barn for iPad</b> (Night &amp; Day Studios)</p>	<p>Tap barn doors to see who is inside. After the animal inside the barn is revealed, tap screen again to close the doors.</p> <p>Also available from Night &amp; Day Studios: "Peekaboo Forest" and "Peekaboo Wild" for \$1.99 each.</p> <p>Spanish language option available in settings.</p>	<p>\$1.99</p>
	<p><b>Peekaboo HD</b> (Gotclues, Inc.)</p>	<p>Tap hay bale to reveal farm animal and to see/hear the animal's name.</p> <p>Spanish language option available in settings.</p>	<p>Free</p>
	<p><b>Peekaboo Ocean HD</b> (Touch &amp; Learn)</p>	<p>Animals are partially hidden in the waves. Tap the part of the animal that you can see to reveal full image. Tap images for animation.</p> <p>Also available from Touch &amp; Learn: "Peekaboo Farm" for \$1.99.</p>	<p>\$1.99</p> <p>Free "lite" version available.</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Spot the Farm Animal</b></p>	<p>Two modes available: "Play" and "Learn." In "Learn" mode, each page displays one animal, along with the name of the animal (spoken and written) and the sound the animal makes. Tap the arrow to navigate between animals. In "Play" mode, a farm scene with several animals is displayed along with a question (spoken and written) directing the student to tap a specified animal ("Where is the turkey?" "Do you see a goat?").</p>  <p><b>Spot the Jungle Animal</b> is also available for free.</p>	<p>Free</p> <p>Free</p>
	<p><b>Learning Games for Kids-Photo Touch Zoo</b></p>	<p>Includes over 300 photos of both common and exotic animals. Option to display from 1-10 animals per page. On each page, the name of one of the animals is spoken and written. Tap the specified animal to advance to next screen. This app is fully customizable. Option to add images, and to add, edit, or delete spoken cues.</p>  <p><b>Preschool Games- Farm Animals by Photo Touch</b> is also available for \$0.99.</p>	<p>\$0.99</p> <p>\$0.99</p>
	<p><b>Animals for Tots (AppAnnex, LLC)</b></p>	<p>Includes 10 forest animals. Animals respond to touch with realistic sounds and animations. The name of each animal is spoken and shown. Option to record animal names in your own voice and language and to write animal names in your own language.</p>	<p>\$0.99 includes forest animals; additional \$0.99 in-app purchase for farm animals.</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Photo Safari HD</b></p>	<p>Includes 50 animals and three activities. For the first activity, the picture of one of the animals is shown along with the verbal and written direction to “Find the _____.” Press the “go” button to see images of from 4-40 animals. (Change how many animals are displayed in the settings menu.) Tap the picture of the specified animal. Other activities include looking at a scrapbook of pictures of all the animals you have found during game play and a “find the animals” speed round.</p>	<p>\$0.99</p>
	<p><b>Injini: Childhood Development Game Suite</b></p>	<p>Injini includes 10 learning games designed for young children with cognitive, language, and fine motor delays. Several of these games are geared toward development of fine-motor skills: Balloons (tap to pop balloons of specified colors); Letters (build capital and lower case letters with puzzle pieces); Frog (improve prewriting skills by drawing lines from frog to insects); Puzzles (over 90 puzzles of varying degrees of difficulty); and Tracing (move the ball along the path to trace the shapes). Most games feature 8 or more levels of difficulty that can be set for specific student prior to game play.</p> <p>Lite version includes 8 of the 10 games (no frog game or letter game). Within each game, 3 of the 8+ levels are included.</p>	<p>\$49.99</p> <p>Free “lite” version available.</p>
	<p><b>Bugs and Buttons</b></p>	<p>Includes 18 learning games, some for developing early learning skills and others for working on fine-motor and visual-motor skills. Activities that work on fine-motor/visual motor skills include: Connect Dots; Button Truck (track and tap moving buttons); Bug-Mazing (lead a bug to the goal by tracing your finger along the path); Roach Racing (race your roach against others by alternating taps as quickly as possible); and Pinch &amp; Grab (catch tarantulas and ants or recycle cans by pinching and dragging).</p>	<p>\$2.99</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Toddler Stamps HD</b></p>	<p>Stamp activity app. Tap to choose one of 10 backgrounds. Tap one of 10 stamps to select it. (Scroll stamp bar horizontally to access over 100 stamps.) Tap background to place the stamp in the scene. Each background has its own musical score, which plays throughout activity. Every stamp animates and makes a sound when placed. App is periodically updated to include new seasonal backgrounds and stamps.</p>	<p>\$0.99</p> <p>Free “lite” version available.</p>
	<p><b>ClickySticky</b></p>	<p>Tap to select one of 7 background scenes. Swipe horizontally on sticker bar to see choices of stickers. Touch and hold a sticker in the bar and drag the sticker to the scene. Stickers are animated and produce sound effects. Each sticker can be scaled and rotated.</p> <p>Other apps in the ClickySticky series include: ClickySticky Cars, ClickySticky Superheros, ClickySticky Trains, and ClickySticky Halloween, at \$1.99 each.</p>	<p>\$1.99</p>
	<p><b>Build-It-Up (MyFirstApp)</b></p>	<p>Build It Up helps develop visual perceptual and fine motor skills for toddlers, ages 2.5 and up. It also helps develop primary math concepts, such as size and top/bottom. Each board displays parts of an image. The goal of the game is to assemble the parts correctly, one on top of the other, to assemble the completed image.</p>	<p>Free with option to add additional puzzles for \$0.99 in-app purchase.</p>
	<p><b>Wood Puzzle HD (Tropisounds)</b></p>	<p>Includes 30 puzzles. Shapes snap into place on top of silhouette puzzles. Options include: Rotation Off (The pieces do not rotate, they just slide into place, making it easier for beginners); Rotation On (Rotate pieces with one or two fingers to place them correctly); Baby Mode (The puzzle puts itself together, but user can also touch and move pieces). App auto-advances through puzzles randomly.</p> <p>Free version includes 3 puzzles. Tropisounds also makes 3 seasonal wood puzzle apps (Wood Puzzle Halloween, Wood Puzzle Easter, and Wood Puzzle Christmas), which are available for \$1.99 each and sometimes have free versions as well.</p>	<p>\$1.99</p> <p>Free “lite” version available.</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Shape Builder- the Preschool Learning Puzzle Game</b></p>	<p>Includes 146 puzzles. Shapes snap into place on top of silhouette image. Each puzzle has 5-10 pieces. After positioning the pieces, the “real” image is revealed, along with voice recording of the name of the image. App auto-advances through puzzles randomly.</p> <p>Free version includes 15 puzzles.</p>  <p><b>ESPAÑOL Shape Builder Spanish</b> is available for \$0.99</p>	<p>\$0.99</p> <p>Free “lite” version available.</p> <p>\$0.99</p>
	<p><b>Preschool Games- Little Puzzles Toys</b></p>	<p>Includes over 50 puzzles. Options to adjust difficulty levels: number of pieces (4-32) and pre-fill (on easy setting 50% of the puzzle is pre-filled, on medium setting 25% of puzzle is pre-filled, and on hard setting 0% of puzzle is pre-filled). Add your own images using photos from your photo album.</p>	<p>Free</p>
	<p><b>Shape-O ABCs</b></p>	<p>Includes over 100 puzzles. Each puzzle incorporates shapes, letters, words, colors, and sounds. Shapes and letters snap into place on top of silhouette images. Tap on image of puzzle to choose it. Option of 3 levels of difficulty.</p>	<p>\$1.99</p>
	<p><b>Shapes &amp; Puzzles by Pirate Trio</b></p>	<p>Over 200 inset-style puzzles. Students use geometrical shapes to construct pre-defined images of buildings, vehicles, animals, plants, etc. Drag geometrical shape to its corresponding outline on the puzzle board. Includes “quiz” section in which students are asked to tap a specific shape: Choose the green diamond; Click on the dark blue oval; select the blue pentagon, etc.</p>	<p>\$2.99</p>
	<p><b>iBuild ABCs</b></p>	<p>Choose an uppercase letter to “build.” Build letters by matching the parts to the guidelines shown. Finish by adding the hardware. Each letter offers different types of puzzles and materials to build with.</p>	<p>\$0.99</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Magic Sorter</b></p>	<p>Please note: This is not a traditional sorting app, despite the name. The app includes 5 puzzle-style activities. Drag and drop each piece of the puzzle onto its matching silhouette. Match according to shape, color, and/or size, depending on activity chosen.</p>	<p>\$1.99</p>
	<p><b>Baby Painter</b></p>	<p>This is a very simple doodle app. Use a single finger or multiple fingers to draw. The color will change with each new line automatically. The size of line is determined by how long student holds finger on screen before beginning new line.</p>	<p>\$0.99</p>
	<p><b>Uncolor for iPad</b></p>	<p>App opens to gray textured screen. Rub finger across screen to reveal hidden image underneath. When image is completely revealed, the image briefly animates/ plays sounds. The app then auto-advances to next image.</p> <p>Uncolor Dogs for iPad is also available for \$0.99.</p>	<p>\$0.99</p>
	<p><b>Bug Builder- the Toddler Paint and Decorate Game</b></p>	<p>Tap one of four shapes to choose shape for your bug. Tap a color and draw on shape to decorate. After drawing/coloring on bug shape, tap on shape multiple times to transform shape into a bug.</p>	<p>\$1.99</p>
	<p><b>Little Fingers</b></p>	<p>Tap one of six paint pots to choose your color. Slide finger across white background to draw. Option to change color palette and brush size.</p>	<p>Free</p>
	<p><b>Paint My Wings</b></p>	<p>Choose one of three butterflies by tapping the butterfly button. Tap a color and start drawing on one wing to make the identical pattern appear on the other wing.</p>	<p>\$0.99</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Cookie Doodle</b></p>	<p>Make virtual cookies by tapping, rolling, tilting to pour, stirring, spreading, piping icing, etc. Includes 199 cookie cutters, 48 different sprinkles, and 85 candy toppings.</p>	<p>\$0.99</p>
	<p><b>iDoodle Card</b></p>	<p>Choose from over 50 drawing pages, each with a background and an idea for drawing on the background. For instance, one page shows two ladybugs without their spots and is accompanied by written instruction "Draw dots for the ladybugs" as well as a model of ladybugs with dots. Simple user interface: only 6 colored pens and 2 erasers.</p>	<p>\$0.99</p>
	<p><b>iLuv Drawing Animals- Learn to Draw 40 animals</b></p>	<p>This app includes very simple traceable templates coupled with voice instruction. Trace over the steps. Retrieve next steps by pressing the right arrow. After the drawing is complete, the reference drawing disappears and only the traced drawing remains. "Paint bucket" feature allows user to color in closed areas with just a tap. Choose from a variety of backgrounds for your drawing.</p>	<p>\$2.99</p>
	<p><b>Wood Puzzle Maze HD</b></p>	<p>Tap to choose one of 14 maze games. Slide items along the correct track to match them to their appropriate destinations, for instance: slide fruits along the maze to place them in their corresponding baskets.</p>	<p>\$1.99</p>
	<p><b>iWrite Words</b></p>	<p>Guides students to write letters, numbers, and words by dragging Mr. Crab along a numbered path. Highly customizable. Change size of letters and numbers with slider at bottom of screen. Choose between two handwriting styles, uppercase or lower case letters, and level of difficulty.</p>	<p>\$2.99</p> <p>Free "lite" version available.</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>LetterSchool</b></p>	<p>Highly customizable app includes options for working on upper case letters, lower case letters, or numbers in one of three handwriting styles: Zaner-Bloser, D’Nealian, or HWT. Includes 4 activities per letter/number: Introduction (discover name, shape, and sound of letter); Tap (learn where to start, change directions, and finish by tapping the dots); Trace; Write (from memory, given some auditory cues).</p>  <p><b>LetterSchool Lite</b> contains all the features of the full version of LetterSchool for a small subset of letters and numbers.</p>	<p>\$2.99</p> <p>Free</p>
	<p><b>Write My Name by Injini</b></p>	<p>Write My Name includes 3 activities: The “ABC Alphabet Book” activity focuses on learning and tracing the individual uppercase and lowercase letters. The “Word Cards” activity introduces over 100 common sight words for students to trace in either uppercase or lowercase letters. The “My Name” activity allows teachers and parents to create 36 individualized tags with pictures and words, so that students can practice tracing words that are particularly meaningful to them.</p>	<p>Introductory price for limited time is \$1.99.</p>
	<p><b>ABC PocketPhonics</b></p>	<p>ABC PocketPhonics introduces students to letter sounds and guides them to form letters using a “follow-me” arrow. This app is highly customizable. Choose D’Nealian style or Zoner-Bloser style letters in lowercase, uppercase, or cursive. Choose settings (off, easy, normal, hard) to check how closely the student’s letter formation approximates the model and whether the strokes are in the right order. After a series of letter-tracing activities, the app moves to a word-game activity. The app “says” a sound and the student taps on the letter corresponding to that sound from a field of 3. When the whole word has been formed in this manner, the app sounds out the word, says the word, and shows a picture of the word.</p>	<p>\$2.99</p> <p>Free “lite” version available.</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Starfall ABCs</b></p>	<p>Tap an alphabet block to begin. Letter names, letter sounds in isolation, and letter sounds within words are presented along with corresponding pictures. Most pictures are animated. Both uppercase and lowercase letters are shown. Many examples given for each letter. Puzzles and quizzes at the end of each letter exploration.</p>	<p>\$2.99</p>
	<p><b>Wee Sing &amp; Learn ABC</b></p>	<p>Narrator reads and then sings a sentence for each letter. Each word in the sentence is highlighted as it is read or sung. Press additional buttons on each page to see and hear more words beginning with that letter. Every letter is associated with a type of animal and an instrument.</p>	<p>Introductory price for limited time is \$2.99.</p>
	<p><b>Interactive Alphabet-ABC Flashcards</b></p>	<p>Every letter is an interactive activity: Tap to eat the apple for letter A; Tap to make the dinosaur roar for letter D; Play the xylophone for letter X. Upper and lower case letters shown. Letter name and sound voiced for every letter. "Baby mode" option (auto advances cards every 15 seconds). Additionally, sings alphabet song while enlarging each letter as it is sung.</p>	<p>\$2.99</p>
	<p><b>AlphaTots</b></p>	<p>Letters of the alphabet are all represented by action-based words, with corresponding interactive activities: ADD candles to the cake for letter A; BUILD a robot for letter B; STACK the rings for letter S, etc. Names and sounds of letters are given. Choose uppercase or lowercase letters.</p> <p>Sing-along alphabet song included.</p>	<p>\$2.99</p>
	<p><b>Elmo Loves ABC's for iPad</b></p>	<p>Songs, videos, coloring pages, and games about letters. Activities for letter identification, letter sounds, and letter tracing.</p> <p>Alphabet song included.</p> <p>Lite version includes 3 letters.</p>	<p>\$4.99</p> <p>Free, "lite" version available</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Letter of the Day Interactive Activities</b></p>	<p>Start by choosing a letter. App includes a chant for each letter, plus an activity in which student taps a picture/word that starts with specified letter sound.</p>	<p>\$1.99</p>
	<p><b>Beginning Sounds Interactive Game</b></p>	<p>Match words that share the same beginning sound. Tap and drag picture balls and drop them into the correct spots on the board.</p>	<p>\$0.99</p>
	<p><b>Word Wizard-Talking Movable Alphabet</b></p>	<p>Choose uppercase or lowercase letters. Choose letter name or letter sound for interactive activities. Drag a letter from the alphabet to the grid to hear letter name or sound. Drag a series of letters together to create words and hear them spelled or sounded out and then spoken.</p>	<p>\$2.99</p>
	<p><b>FirstWords: Deluxe</b></p>	<p>Choose letter names or sounds. Choose between two fonts. Includes 174 words. Each page features a picture, a word, and letters corresponding to the word. Tap picture to hear word spoken. Drag individual letters to match to letters in word.</p> <p>  <b>FirstWords: Sampler</b> includes 6 words only.         </p> <p>  <b>FirstWords: Spanish</b> includes 114 words and uses letter names only.         </p>	<p>\$4.99</p> <p>Free</p> <p>\$4.99</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Toddler Counting</b></p>	<p>Counting from 1-20. Choose “Easier” for numerals 1-10. A set of objects appears on each page. Tap each item to count it. Each object grays out on first touch so it cannot be counted twice. Counts out loud as child touches each object. Digits are displayed along with the sounds. Uses photographs.</p>	<p>\$0.99</p>
	<p><b>Counting Bear</b></p>	<p>Counting from 1-20. Each page shows a number of objects from 1-20. Students tap each object on the page, while seeing and hearing the numeral for each object as it is tapped. Fully customizable: Choose minimum and maximum number of objects to be displayed, and add own images.</p>	<p>\$0.99</p>
	<p><b>Montessori Counting Board</b></p>	<p>Counting from 1-20. Includes 5 play modes: learn to count, learn to count up, learn to count down, drag to count up, and drag to count down. Adjust minimum and maximum number of objects to be displayed.</p>	<p>\$0.99</p>
	<p><b>TallyTots</b></p>	<p>Counting from 1-20. Tap a numeral to begin. The app counts out loud from one to your chosen number while showing corresponding digits. There is a different activity for each of 20 numbers: put 10 puzzle pieces in the puzzle; race 2 cars around the track; water 5 plants.</p>	<p>\$2.99</p>
	<p><b>Park Math HD-by Duck Duck Moose</b></p>	<p>Introduces early math concepts: numbers; addition; greater than/less than; subtraction; patterns; counting; and ordering. Includes 3 levels. Level 1 includes counting up to 20 and addition/subtraction with numbers up to 5. Level 2 includes counting up to 50 and addition/subtraction with numbers up to 10. Level 3 includes counting up to 100 and addition/subtraction with numbers up to 20.</p>	<p>\$1.99</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Counting with the Very Hungry Caterpillar for iPad</b></p>	<p>Five levels of game play using items from the Very Hungry Caterpillar story. In Level 1, numerals are spoken and displayed as students tap on the items to count them. In Level 2, students tap the requested items to hear and see them counted. In Level 3, students tap the requested number of items from a larger field of identical items. In Level 4, students tap the requested number of items from a larger field of a variety of items. Level 5 is a game in which students tap the requested numbers of specific items within a one-minute time frame.</p>	<p>\$2.99</p>
	<p><b>SimpleSort: Counting</b></p>	<p>Works on numbers 1-10. Three different game options, with option to play all three games consecutively or only the game you select. Play the games with a choice of 3, 4, 5, or 6 sorting buckets. Games include: "Count, Sort, and Place in Order"; "Count and Add"; and Count and Compare".</p>	<p>\$0.99</p>
	<p><b>Preschool Numbers Game</b></p>	<p>Learn numbers from 1-100+. Find and touch the requested numeral or number of items on each page. Highly customizable. Option to select the minimum and maximum numbers to display on each page, option to select the specific numbers or number groups you want student to work on, and option to add your own images.</p>	<p>Free</p>

	<p><b>Pre K Math HD</b></p>	<p>Features 22 math games emphasizing: counting from 1-10; reading and writing numerals from 1-10; learning and classifying different shapes; ordering and sequencing from 1-10; and understanding more and less.</p>	<p>\$1.99</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Monkey Math School Sunshine</b></p>	<p>Features activities for counting, sequencing, patterning, and adding and subtracting. Although there are 9 different activities, they are not chosen by the user/parent/teacher, but are randomly presented throughout game play. Collect reward stickers to place in virtual aquarium.</p>	<p>\$0.99</p>
	<p><b>I Learn with Poko: Fun Counting and Additions ! HD</b></p>	<p>Three activities work on counting and adding objects. In Level 1, students add up to six objects with similar attributes from 2 different sets of objects to get a total. In Level 2, students add up to 10 objects from 3 sets of objects. In Level 3, students add up to 15 objects from 3 sets of objects. Game play is adjusted automatically.</p>	<p>\$2.99</p>
	<p><b>Adding Apples</b></p>	<p>Student enters equations using in-game keypad that resembles a calculator. When the student enters the first numeral for an equation, a corresponding number of apples drop into a box at the top of the screen. Student then taps the “+.” When student taps the second numeral for his/her equation, a corresponding number of apples (differently colored than the first set) drop into the box. Student can add the apples by counting them and selecting corresponding numeral from a choice of three or by tapping the equals sign and selecting the corresponding numeral from a choice of three.</p>	<p>\$0.99</p>
	<p><b>SpeakColors HD</b></p>	<p>App includes 7 common colors and 200 photographs of objects. Each screen displays selection of colors at the top, so that colors can be easily selected during game play. In Phrase Mode, each screen displays a button showing the chosen color and a button showing an item in the chosen color. Tap the buttons to hear a phrase, e.g. “white bird.” In Sentence Mode, “little words” are displayed between the buttons. Tap all the buttons to hear a sentence, e.g. “The bird is white.” Students can record themselves saying the phrase or sentence by pressing the “record” button at the bottom of the screen.</p>	<p>\$1.99</p> <p>Free “lite” version available.</p>

February 2012 \*Please note: Prices are subject to change. Please check price in App Store before making a purchase.

	<p><b>Photo Touch Colors</b></p>	<p>Option to display from 2-6 objects at a time. Each page displays your chosen number of objects and a voiced instruction to find a specific item, such as “the black dog” or “the pink flower.” Uses photographs for all items.</p>	<p>\$0.99</p>
	<p><b>Shapes Toddler Preschool</b></p>	<p>Includes 3 activities: Quizzing, Flashcards, and Toy Box. In Quizzing mode, each page depicts several shapes and a written word corresponding to one of the shapes. Voiced instructions direct the student to find a specific shape.</p> <p><b>Spanish option available in the Menu section of the app.</b></p> <p>Toddler Teasers has additional apps available (Letters Toddler Preschool, Colors Toddler Preschool, and Numbers Toddler Preschool) for \$0.99 each.</p>  <p><b>Complete Toddler Preschool</b> includes all Toddler Teaser categories (shapes, numbers, letters, colors, etc.) within a single app.</p>	<p>Free</p> <p>\$2.99</p>
	<p><b>KIDpedia Interactive Shapes</b></p>	<p>Screen displays a grid with 10 shapes at the bottom and a blank canvas at the top.
