

EDUCATIONAL AGENDA

▶▶▶ 2018-19

At a Glance

Each SCOE employee plays a role in achieving these goals.

Be a Support Service Center to School Districts and Education Community of Sonoma County

- ✓ Provide guidance, support, and assistance to help districts improve student outcomes (Local Control Funding Formula, Local Control Accountability Plan, California School Dashboard, differentiated assistance, etc.) through a continuous improvement framework aligned to district needs and areas of focus
- ✓ Provide districts with professional development trainings in alignment with 21st century teaching themes, school safety, and school governance
- ✓ Monitor and promote quality teacher and administrator credential programs

Foster Partnerships that Strengthen Educational Opportunities for all Students

- ✓ Establish collaborative and collegial relationships among all SCOE stakeholders, departments, districts, and agencies
- ✓ Build higher education, business, and community partnerships to foster student success and close the achievement gap through professional development opportunities
- ✓ Promote countywide educational initiatives and SCOE's programs and services through mixed media outreach efforts

Build and Maintain an Internal Organizational Structure that Supports Best Practices

- ✓ Maintain positive and collaborative employee relations
- ✓ Improve and update facilities
- ✓ Assist Alternative Education in its efforts to support students through implementation of its Local Control Accountability Plan and goals
