

COMMUNITY SAFETY: JUST SAY “NO” TO HARASSMENT

Created by the Predator Awareness Task Force

Training Objectives:

- Identify what harassment is
- Learn how to be “on the look out” for harassment
 - Identify how to respond to harassment
- Identify who you can tell if you are being harassed

Presentation Outline:

- * What is harassment?
- * What can harassment feel like?
- * What can harassment look like?
- * What can harassment sound like?
- * Who might harass you?
- * Where could this happen?
- * Be on the look out for harassment!
- * Be Aware of Your Own Behavior
- * What can you do if someone is harassing you?
- * What can you do if someone continues to harass you?
- * What did we learn today?

Recommended Materials:

- PowerPoint presentation
- Computer
- Projector
- Screen
- Copies of “People You Trust” handout
- Copies of sample “Harassment Log” handout
- Copies of Evaluation/Feedback form (Participant and Instructor)

**This curriculum typically takes about 1-1.5 hours to present,
depending on length of discussions.**
