		<b>Picture/Word Matching</b>	
	<b>Kids Learning- Little Reader 3 Letter Words</b>	Includes over 70 three-letter words, grouped by short vowel sound. (Option to add your own images, sounds, and words.) Choose to show from 1-6 words and their corresponding images per page. Drag picture to corresponding word. All words and pictures “speak” when tapped for additional help with matching.  Also available: <b>Learn to Read- Four Letter Words by Little Reader</b>	\$0.99
	<b>Special Words</b>	Designed for special needs students. Includes 90 words, with option to add your own words and images. Includes 4 activities: match pictures; match words; match words to pictures; and match pictures to words. Includes audio.	\$13.99
		<b>Phonics</b>	
	<b>Phonics Tic-Tac-Toe Interactive Game</b>	Please note: This is a two-player game, which may also require adult help as instructions are written but not spoken. Students take turns answering phonics questions, such as: What are the first two letters of the picture below? What letters are missing from this word? Which word has the same “u” sound as huge? What are the last two letters of the picture below?	Free
	<b>Starfall Learn to Read</b>	Each section features a vowel sound and its related spelling. Includes more advanced sounds, e.g. “r” controlled vowels. Includes stories, movies and songs.	\$2.99

	<b>Reading Raven</b>	<p>Reading Raven is a phonics-based, learn-to-read educational game. Three levels of progressive activities are included. Level 1 includes lessons in letter matching, letter tracing, letter recognition, and word matching. Level 2 includes activities for vocabulary development, word beginnings, word building, and word spotting. Level 3 includes activities for reading aloud using voice recording, word tracing, and word groups (rhyming and beginning sounds).</p>	\$1.99
	<b>Word Magic</b>	<p>Each screen features an image and corresponding word with a letter missing. Fill in the blank to complete the word. Option to work on initial sound, vowel sound, or ending sound.</p>	\$0.99
	<b>Little Stars-Word Wizard</b>	<p>Single-player and two-player modes available. Includes over 150 c-v-c words. Learning games include: Hear the word and correctly identify the first letter; hear the word and correctly identify the last letter; see the word with the first letter missing and correctly identify missing letter from a choice of four; see the word with the last letter missing and correctly identify missing letter from a choice of four.</p>	free
	<b>Alpha Writer, by Montessorium</b>	<p>Features phonics-enabled letter and phonogram tiles and phonics-enabled images. Build words by matching letters to their corresponding sounds.</p>	\$2.99
	<b>Montessori Crosswords-Spelling with Phonics-Enabled Alphabet</b>	<p>Includes 300 word-image-audio-phonics combinations. Choose to work on simple words with 3 sounds, words with consonant blends, words of any complexity, or choose to focus on one of 44 categories of sounds. Spell words by dragging letters, with or without a model. Includes movable alphabet for open-ended activities.</p>	\$2.99

	<b>Word Wizard- Talking Movable Alphabet</b>	<p>Word Wizard features a talking movable alphabet that can pronounce an unlimited number of original words. Take spelling quizzes using the movable alphabet. Over 1400 spelling words are included with the option to add your own words to create your own spelling quizzes.</p>	\$2.99
	<b>Phonics Genius</b>	<p>Includes over 6,000 professionally recorded words grouped into 225 categories by phonics. A choice of between 2-6 word cards is simultaneously presented and the name of one of the words is spoken. Student taps the named word.</p> <p>Fully customizable: add, edit, and/or delete words and recordings, and adjust font size.</p>	Free
	<b>ABC Spelling Magic Short Vowel Words</b>	<p>Build simple consonant-vowel-consonant words using phonics-enabled alphabet.</p> <p>Also available for free:</p> <p><b>ABC Spelling Magic 2 Consonant Blends</b></p> <p><b>ABC Spelling Magic 3 Blends and Syllables</b></p>	Free
	<b>Simplex Spelling Phonics 1- English</b>	<p>Features over 450 high frequency words divided into 42 lists, based on spelling patterns and difficulty level. Each of the 42 lists includes a lesson that teaches phonics, phonograms, and spelling rules.</p> <p>Support for 40 user accounts.</p> <p>Other Simplex Spelling Phonics apps include: <b>Simplex Spelling Phonics 2 Syllables- Spell to Read</b> and <b>Simplex Spelling Phonics- Advanced Phonograms</b></p>	\$4.99
	<b>Build A Word- Easy Spelling with Phonics</b>	<p>Uses letter sounds for building words. Over 200 words are included (grouped into lists, such as: -ck words, sh words, short "a" words, etc.). Accessibility options include: tap, drag and hover, drag and drop, and high contrast interface. Three activities: Learn (with a model); Practice (without a model); and Test.</p>	\$0.99

		<b>Sight Words</b>	
	<b>Sight Words List- Learn to Read Flash Cards and Games</b>	Includes 315 words from the Dolch list. Choose level: Preschool; Kindergarten; First Grade; Second Grade; Third Grade; or Nouns. In “Learn” mode, app displays one word at a time and speaks each word as it is presented. In “Play” mode, choose presentation of from 2-6 words per page. App speaks one of the listed words and student taps on that word to select it. Option to create own flash cards and lists. Option to choose font, font size, and font color.	Free
	<b>Sight Words by Photo Touch</b>	Choose level: Preschool; Kindergarten; First Grade; Second Grade; or Third Grade. Choose between 1 and 10 words to be presented on each page. App speaks one of the listed words and student taps on the word to select it. Difficulty level is adjusted automatically during game play. Option to add your own words and voice.	Free
	<b>SightWords Pro</b>	Flash card format. App presents one word at a time. Tap to hear word spoken. Includes over 1,500 sight words, compiled from Dolch, Fry, Pinnell-Fountas, and other high-frequency word lists. Choose a pre-defined flash card word list or build a custom flash card set. Option to adjust background color, font, and font color.	\$0.99
	<b>Sight Words: Kids Learn</b>	Hear the word, record and playback the word, write the word and use the word in activities, such as Word Jigsaw Puzzle, Word Tic Tac Toe, Word Matching Game, Hangman, Sentence Building, and Word Search. This free app includes first 25 words in the series. <b>Sight Words 1-300: Kids Learn</b> (\$8.99) includes all 300 high-frequency words.	Free

	<b>Word Bingo</b>	<p>Includes over 300 Dolch Sight Words. Select a word list: Pre-Primer, First Grade, Second Grade, Third Grade, Nouns, or All Words. Includes 4 different bingo games, including: "Word Bingo" (Listen to the word and tap on the corresponding word on the bingo card) and "Spelling Practice" (Listen to the word and then tap and drag the letters to spell the word).</p>	\$0.99
	<b>Ace Writer-Dolch Sight Words HD</b>	<p>Practice spelling Dolch Sight Words by writing the words in a dotted tracing format. 6 levels of Dolch Sight Word Levels included: Pre-Primer; Primer; 1<sup>st</sup> Grade; 2<sup>nd</sup> Grade; 3<sup>rd</sup> Grade; and Nouns.</p>	\$1.99  Free "lite" version available.
	<b>Simplex Spelling HD- Dolch Sight Words</b>	<p>Over 250 high frequency words. Rather than using flash cards, Simplex Spelling enables the student to build each word. Free Additional readers available for in-app purchase.

	<p><b>My Word! Reader- Are Bees Smart, or What?</b></p>	<p>Includes one story and 6 learning games. Story does not read aloud, but student can touch any word they do not know to hear it read aloud. The words the student touches are added to a “word bag” for use in subsequent activity. Includes a “visual dictionary” for selected words; when the student touches one of the words highlighted in blue, a short video definition of the word appears. Learning games include: silent K; initial consonant sounds; initial consonant blends; sight vocabulary scrambled words.</p> <p>Designed for underachieving elementary and secondary school students.</p> <p>Also available: <b>My Word! Reader- Are Whales Smart, or What?; My Word! Reader- Are Squirrels Smart, or What?; My Word! Reader- Are Dogs Smart, or What?</b></p>	<p>\$4.99</p>
	<p><b>Spinout Red</b></p>	<p>Spinout Red is a collection of 4 stories designed to appeal to upper primary and lower secondary students who are struggling with reading. Each story is available at three levels of reading difficulty (easy, medium, and hard). Option of hearing each page read aloud or of tapping individual words to have them read aloud. (Voice is Australian accented.) Words are underlined as they are read. When reading at the “hard” level of difficulty, selected words are highlighted in blue. Tapping on these words brings up a written definition and additional information; the definitions and descriptions are not read aloud, however.</p> <p><b>Spinout Blue</b> is also available for \$9.99.</p>	<p>\$9.99</p>

	<p><b>Booksy: Learn to Read Platform for K-2</b></p>	<p>Features books at two levels of difficulty: Level 0 books (50-100 words, repetitive structures, and words for young kids who are just starting to read); Level 1 books (250-300 words and simplified structures for kids who are beginning to read independently). Level 1 books are each based on a science theme. Students can tap on “listen” icon on each page to have that page read to them or can tap on individual words to hear them read aloud. Includes multiple-choice comprehension questions at the end of each book.</p> <p>Booksy is also available in a School Edition for \$11.99. Booksy School Edition includes 14 books.</p>	<p>Free with 2 books included.</p> <p>Additional books \$0.99 per title.</p>
	<p><b>Attainment's Read to Learn</b></p>	<p>Designed for adolescents and adults with developmental disabilities. Includes 85 stories about Safety Skills, Life Skills, and Feelings. Text is highlighted as it is read aloud. Single -word audio support is available for students reading independently. Comprehension activities for all stories are included.</p>	<p>\$39.99</p>
