

SCASA FALL Kick - Off Event

Leading

Change in the 21st Century!

SCASA Members: Free

Guests: 10.00

Where: [Foxtail Golf Club](#)

When: Tuesday, October 8th 4:30 - 6:30pm

Guest Speaker: Sergio Villegas

[NapaLearns](#) EdTech Coordinator

Topic: "Who is telling the story of your school: Electronic communication tools for administrators"

Preview: The Common Core, District Initiatives, Site Initiatives, Parents, Students...with so much pressure on administrators to share information, the need to be a 21st century communicator is no longer a "nice to know," it's a "need to know." Part demonstration, part conversation, part inspiration and all awesome, this will be a walk through of some popular (and some less popular) tools and methods to share the best of your students, your teachers, and your school.

[RSVP Here](#)

3 leaders that RSVP using the link provided will win free registration to the North Bay Affiliate of Computer Using Educators [Marin Event](#) on Saturday Sept 28th. Come spend a day learning from progressive teachers and administrators on how they apply technology in their classroom/school.
