

SCASA Book Club in a new Online Format

One Book: *Professional Learning in the Digital Age* *The Educator's Guide to User-Generated Learning*

The Book Club will meet online via an Edmodo Group beginning in February. Facilitators will provide discussion prompts, but anyone can provide questions, responses, comments... Join us for a new exploration of our own learning in the digital age. If there is interest in an in-person meeting, we will schedule one in late Spring.
