

TIPS FOR ACCESSING TUTORING SERVICES

Here's What Sonoma CARES Quality Counts Participants Have Found Helpful:

"[Tutoring] has helped me to not be afraid of the math classes and gives me the strength to take the placement test."

khanacademy.com
is great for practice
math problems

Ratemyprofessors.com
is helpful when
choosing an
instructor.

Experiences at

SRJC Petaluma Tutorial Center

- ★ At the Math Lab, most adult tutors are former math teachers.
- ★ The Math Lab volunteers are adults that have time to spend with you one-on-one.
- ★ There is plenty of free, safe parking close to campus.

★ visit <https://college-skills.santarosa.edu/tutorial-centers-online-tutoring> to learn more

★ Nettutor is online tutoring available at SRJC
