TRUSTEE AREA MAP
BOUNDARIES ADJUSTED PER THE U.S. CENSUS OF 2010 AND ADOPTED IN 2012

The map was compiled and prepared by me in October and November 2012 and is based upon the maps of the school districts on file in the office of the Sonoma County Office of Education and information from the Sonoma County GIS. The map is intended for a visual reference. The true position of the school district lines and Trustee Area lines depicted are controlled by the school district's lines and Trustee Area's lines. The map was compiled and prepared by me in October and December, 2012.
