

MATRIX: Procedural Safeguards Rights: One Page at a Time

Please come take a walk-through Procedural Safeguards. What are they? You know the information packet you receive at every IEP meeting and file away? It contains your and your child's special education rights and protections. We'll go through the packet one page at a time to help you better understand those rights. This is the first part of a two-part training. Look out for Procedural Safeguards Special Education Remedies, which will focus more on the possible remedies available to you and your child should you need them. Understanding your rights empowers you to be an effective member of your child's IEP team.
