

Apple K-12 Technology Update: For Technology Managers & Tech Support Staff

Apple Management Solutions for K-12

- See how Apple School Manager, a single destination for IT admins, simplifies and streamlines deployment.
- Experience Classroom, a teaching assistant on iPad that helps teachers guide learning, share work, and manage devices.
- Explore new management features that enable schools to manage devices and the classroom experience.
- Hear about new productivity and management features in iOS 11 and macOS High Sierra.
- Learn about zero-touch Apple TV deployment with tvOS 11—no user input required.
