

## ieSonoma 2019

### ieSonoma 2019: STEAM Champions

**ieSonoma** is a partnership of educational institutions and the larger community dedicated to exploring the research, theory, and practice of transforming education for the 21st century. The partnership was initiated by SCOE in collaboration with founding partners Sonoma Country Day School and Sonoma State University. It is aligned to the Cradle to Career Sonoma County goal of ensuring that every child succeeds in school.

Please make plans to join this important public gathering of education and community leaders, hear inspiring and provocative speakers, and engage in stimulating dialogue about critical issues that shape our future.
