

## 2020-21 EL Collaborative

Open to all interested educators, these sessions are designed as a collaborative networking opportunity for EL specialists, teachers, and administrators working in school districts that serve English learners.

Sessions will highlight a series of relevant EL topics and discussions, instructional activities, presentations, and readings. Current research and practices, state updates, and local initiatives will be included. Participants will learn from each other and take away new knowledge and skills regarding structures and strategies for addressing the academic needs of English learners. Topics and activities can be shared at school sites, informally or at staff meetings.
