

West Sonoma County Teacher Meetups: October 27, 2020 Session

In July, Harmony Union School District hosted a West County Teacher Network meeting. SCOE has now teamed up with Harmony to continue providing opportunities for networking and sharing of best practices. In this meeting, teachers will join together with colleagues from any **west Sonoma County school district** to exchange ideas and share successes. We will use grade level and subject area breakouts to facilitate our discussions. Please bring your great ideas and any questions you may have. We look forward to seeing you there.
