

## Supporting Student Math Learning at Home (Grades 2-5)

During the 2020-21 school year parents and caregivers, like teachers, have been thrust into a new role. One area of particular challenge is facilitating math learning at home. The Sonoma County Office of Education's math department will be hosting a series of sessions for parents and caregivers to connect and figure out ways to best support their child's math learning.

During our time together, participants will connect with other parent and caregivers. In addition, parents and caregivers will be supplied with resources to help them navigate the math learning that their child is engaging in.

Translation will be provided for all sessions. A Spanish only series will also be offered. The sessions will be organized by grade span and each grade span will meet twice. Participants can join one or both sessions.

Sessions also offered for other grade spans:

- [Grades K-1: Tuesdays, October 27 and December 1, 2020](#)
- [Grades 6-12: Thursday, November 5 and Monday, December 7, 2020](#)

Spanish only series:

- [Thursday, November 19 and Monday, December 14, 2020](#)

---

**When** Monday, November 2 and Thursday, December 3, 2020  
6:00pm - 6:45pm

**Location** Virtual via Zoom  
<https://zoom.us/j/98589650717>
